

## **Projects funded by the funding programme «Health Services Research» 2012 – 2016**

### **2016**

#### **Dr. Sven Streit, Bern**

Berner Institut für Hausarztmedizin (BIHAM), Universität Bern  
Scholarship: «Effects of low blood pressure on cognitive function in the multimorbid oldest-old»  
CHF 15'000.–

#### **Dr. Idris Guessous, Genève**

Hôpital Universitaire de Genève (HUG)  
Project: «Insurance status (deductible, premium, social aid, complementary insurance) and forgoing healthcare: a population-based study of insured adults»  
CHF 80'000.–

#### **Nahara Anani Martínez-González, Zürich**

Institute of Primary Care, University of Zurich, University Hospital of Zurich  
Project: «The impact of antibiotic use improvement strategies on prescribing for respiratory tract infections in primary (out-of-hours) care – a systematic review»  
CHF 68'000.–

#### **Dr. Dagmar Haller, Genève**

Hôpital Universitaire de Genève (HUG)  
Project: «Primary care interventions to reduce cardiovascular risk behaviours in adolescents: protocol for a systematic review»  
CHF 70'050.–

#### **Dr. Stefan Neuner-Jehle, Zug**

Institute of Primary Care, University of Zurich  
Project: «Prevalence and inappropriate use of bone density measurements in Switzerland: Is osteoporosis overdiagnosed?»  
CHF 55'000.–

#### **Dr. Dagmar Haller, Genève**

Hôpital Universitaire de Genève (HUG)  
Seed funding: «Primary care interventions to reduce recurrence of binge drinking in young people admitted to the emergency department for acute alcohol intoxication: a pilot study»  
CHF 23'606.–

**Prof. Nicolas Rodondi, Bern**

Universitätsklinik für Allgemeine Innere Medizin, Inselspital

Project: «Developing a Novel Bleeding Risk Score in Patients with Atrial Fibrillation for Initiation of Oral Anticoagulants»

CHF 38'860.–

**Dr. Corinne Chmiel, Zürich**

Stadtpital Waid, Medizinische Klinik

Project: «Impact of various managed care health plans on inappropriate diagnostic coronary angiographies in non-emergency patients – a retrospective cross-sectional analysis»

CHF 62'000.–

**Prof. Nicola Low, Bern**

University of Bern

Project: «The influence of case management on the burden of antibiotic resistant gonorrhoea: patient and provider perspectives»

CHF 192'773.–

## 2015

### **Prof. Drahomir Aujesky, Bern**

Universitätsklinik für Allgemeine Innere Medizin, Inselspital  
Project: «Variations in preference-sensitive care in Switzerland»  
CHF 100'000.–

### **Dr. Gian Marco De Marchis, Bern**

Neurologische Klinik, Inselspital  
Seed funding: «Reasons for Prehospital Delay and Fatality in Patients with Acute Ischemic Stroke»  
CHF 25'000.–

### **Dr. Sima Djalali, Zürich**

Institut für Hausarztmedizin, Universität Zürich  
Project: «Anticoagulation therapy with vitamin K antagonists in Swiss Primary Care – Appraising patient characteristics and quality of care»  
CHF 60'000.–

### **Dr. Rolf Iten, Zürich**

INFRAS  
Project: «Efficiency and Performance of Cantonal Health Care Systems: An Empirical Analysis Based on a Stochastic Frontier Approach»  
CHF 150'000.–

### **Prof. Peter Jüni, Bern**

Institut für Sozial- und Präventivmedizin, Universität Bern  
Project: «Do Composite Measures of Health Care Quality Succeed Where Traditional Quality Indicators Fail? Applying the Method of Composite Measures to Current Challenges of the Swiss Health Care Surveillance System»  
CHF 110'000.–

### **Dr. Stuart McLennan, Basel**

Institut für Bio- und Medizinethik, Universität Basel  
Seed funding: «Developing a Patient Safety in Office-based Surgery Project: A Delphi Consensus Study»  
CHF 25'000.–

### **Dr. Pierre-Yves Rodondi, Lausanne**

Université de Lausanne, Institut universitaire de médecine sociale et préventive  
Project: «Chronic low back pain in primary care: patients' and physicians' characteristics and reasons for seeking complementary and alternative medicine»  
CHF 90'000.–

### **Prof. Valérie Santschi, Lausanne**

Haute Ecole de la Santé La Source  
Project: «A Team-Based Care for Hypertension Management (TBC Hypertension): A Randomized Controlled Study»  
CHF 190'000.–

**Prof. Birgit Watzke, Zürich**

Universität Zürich, Abteilung für Klinische Psychologie und Psychotherapie  
Project: «Improving access to evidenced based treatment for depression:  
Effectiveness and cost-effectiveness of telephone psychotherapy in primary  
care»

CHF 210'000.–

**Dr. Claudia Zürcher, San Francisco**

University of California, Dep. of Anesthesia and Perioperative Care  
Scholarship: «Electronic and Conventional Checklists for Routine and Emergency  
Anesthesia Care: Evaluation of Acceptance, Usage and Near-Miss Events»

CHF 40'000.–

## 2014

### **Prof. Gian Domenico Borasio, Lausanne**

Département de Medecine, Universität Lausanne

Project: «Effektivität und Effizienz von mobilen ambulanten Palliativteams vor und nach der Einführung einer aufsuchenden 24h- Rufbereitschaft»

CHF 200'000.–

### **PD Dr. Eva Cignacco, Basel**

Institut für Pflegewissenschaft, Universität Basel

Project: «Pediatric End-of-Life Care in the Home Care Setting: Patient Characteristics and Parent's Experiences and Needs»

CHF 29'619.–

### **Dr. Markus Gnädinger, Zürich**

Institut für Hausarztmedizin, Universität Zürich

Project: «Medication Incidents in Primary Care Medicine A Swiss Prospective Study by the Federal Sentinel Reporting System»

CHF 25'000.–

### **PD Dr. Christian Huber, Basel**

Universitäre Psychiatrische Kliniken Basel, Universität Basel

Seed funding: «Health Care Utilization in Involuntarily Treated Psychiatric Patients»

CHF 25'000.–

### **Prof. Jörg D. Leuppi, Basel**

University Clinic of Internal Medicine, Canton Hospital Baselland, University of Basel

Project: «Impact of a pharmaceutical care intervention to improve adherence of inhaled medication in asthma and COPD patients»

CHF 150'000.–

### **Prof. Adrian Müller, Bern**

Fachbereich Gesundheit, Berner Fachhochschule

Seed funding: «Texturveränderte Lebensmittel und eingedickte Flüssigkeiten für den Einsatz bei Menschen mit Dysphagie: Schweizer Standards konsistenzmodifizierter Kostformen»

CHF 25'000.–

### **Dr. Stefan Neuner-Jehle, Zürich**

Institut für Hausarztmedizin, Universität Zürich

Project: «The Prevention of Polypharmacy in Primary Care Patients Trial (4P-RCT)»

CHF 151'000.–

**Prof. Isabelle Peytremann-Bridevaux, Lausanne**

Institute of Social and Preventive Medicine (IUMSP Lausanne), University of Lausanne

Project: «Systematic review of a complex intervention: How does the inclusion of non-randomized studies affect results? The example of the effectiveness of chronic disease management interventions in adults with asthma»

CHF 43'000.–

**Prof. Thomas Rosemann, Zürich**

Hausarztmedizin und Versorgungsforschung, Universität Zürich

Project: «ALINE: Reducing diagnostic delay in inflammatory bowel disease (IBD) in primary care»

CHF 86'000.–

**Dr. Lukas Philipp Staub, Bern**

MEM Forschungszentrum, Universität Bern

Project: «Swiss Health Atlas: variation in hospitalization rates»

CHF 178'809.–

## 2013

### **Prof. Urs Brügger, Winterthur**

Winterthurer Institut für Gesundheitsökonomie, ZHAW

Project: «Conditional Coverage in Health Technology Assessment: A pattern analysis of decision making for medical procedures within the Swiss statutory health insurance scheme»

CHF 100'000.–

### **Prof. André Busato, Bern/Zürich**

Institut für Sozial- und Präventivmedizin und Universität Zürich, Institut für Hausarztmedizin, Universität Bern

Project: «Effects of DRGs based hospital financing on Swiss outpatient health care»

CHF 200'000.–

### **Prof. Sabina de Geest, Basel**

Institut für Pflegewissenschaft, Universität Basel

Project: «Building Research Initiative Group: Chronic Illness Management and Adherence in Transplantation (BRIGHT) Study»

CHF 75'000.–

### **Dr. Isabelle Peytremann-Bridevaux, Lausanne**

Institut Universitaire de Médecine Sociale et Préventive, University of Lausanne

Seed funding: «Evaluation of a pilot study assessing the acceptability, feasibility and effectiveness of a community-based chronic disease management program for COPD patients residing in the canton of Valais»

CHF 25'000.–

### **Prof. Thomas Rosemann, Zürich**

Institut für Hausarztmedizin, Universität Zürich

Project: «Skillmix - Substitution of doctors by nurses»

CHF 81'000.–

### **Dr. Valérie Santschi, Lausanne**

Service of Nephrology and Hypertension, CHUV

Seed funding: «A Team-Based Care for Hypertension Management (TBC-Hypertension): A Pilot Randomized Controlled Study»

CHF 25'000.–

### **Prof. Philipp Schütz, Aarau**

Medizinische Universitätsklinik der Universität Basel und Kantonsspital Aarau

Project: «The Triage Study»

CHF 150'000.–

**Dr. Nicolas Senn, Lausanne**

PMU, Departement of Ambulatory Care and Community Medicine, University of Lausanne

Project: «Assessing the state of preventive care in family medicine in Switzerland»

CHF 100'000.–

**Prof. Rebecca Spirig**

Zentrum Klinische Pflegewissenschaften, UniversitätsSpital Zürich

Project: «Delir-Path»

CHF 150'000.–

## 2012

### **Prof. Heiner Bucher, Basel**

Institute for Clinical Epidemiology and Biostatistics, Universitätsspital Basel

Project: «Peer Comparison to Lower Antibiotic Prescriptions»

CHF 128'000.–

### **Prof. Bernard Burnand, Lausanne**

Institut Universitaire de Médecine Sociale et Préventive, University of Lausanne, CHUV

Project: «Knowledge Translation in Medecine»

CHF 250'000.–

### **Prof. Sabina de Geest, Basel**

Institut für Pflegewissenschaft, Universität Basel

Event: «Comparative Effectiveness Research (CER): Politics, Methodologies and Proposal Building» am 20.-24. August 2012 in Basel

CHF 9'000.–

### **Dr. Patricia Halfon, Lausanne**

Institut Universitaire de Médecine Sociale et Préventive, University of Lausanne, CHUV

Project: «Potentially avoidable hospitalizations in Switzerland»

CHF 25'000.–

### **Dr. Stefan Neuner-Jehle, Zürich**

Institut für Hausarztmedizin, Universität Zürich

Seed funding: «Prevention of Polypharmacy in 1° Care Patients»

CHF 25'000.–

### **Prof. Thomas Rosemann, Zürich**

Institut für Hausarztmedizin, Universität Zürich

Project: «Swiss Healthcare Networks»

CHF 152'000.–

### **Dr. Ryan Tandjung, Zürich**

Institut für Hausarztmedizin, Universität Zürich

Project: «Überweisungsverhalten in der Schweizer Grundversorgung»

CHF 130'000.–

### **Dr. Henrike Wolf, Zürich**

Klinik für Alterspsychiatrie, Universität Zürich und Psychiatrische Universitätsklinik Zürich

Project: «The Zurich Life and Death with Advanced Dementia Study (ZULIDAD)»

CHF 217'000.–

**Prof. Elisabeth Zemp, Basel**

Swiss Tropic and Public Health Institute, Basel

Project: «Kostenverlauf Geburten vor/nach FamilyStart»

CHF 62'000.–
