Impact of a gratitude-based intervention on patients and caregivers in a palliative care context: a pilot study
CHF 120'000.–

Dr. Philippe Carruzzo, Service de Soins Palliatifs et de Support, CHUV, Lausanne

Fellowship: How do people at the end of life achieve and maintain existential wellbeing?
CHF 44'330.–

Dr. Nathalie Dieudonné-Rahm, Service de médecine palliative, HUG, Genf

INDEX - Intranasal Dexmedetomidine for procedural pain management in elderly adults in palliative care
CHF 25'000.–

Dr. Sandra Eckstein, Palliative Care, Universitätsspital Basel

A Personalized Approach to Foster Dignity by a Palliative Consultation Service in Swiss Acute Hospital Care: A Pilot Randomized Controlled Trial
CHF 50'000.–

Prof. André Fringer, Institut für angewandte Pflegewissenschaft, FHS St. Gallen

Activity of Daily Living Support in End of Life care: The impact of the education-based intervention program «AdKinPal» for palliative care nurses
127'378.–

Prof. André Fringer, Institut für angewandte Pflegewissenschaft, FHS St. Gallen

Development of an educational program for relatives of patients with refractory cachexia: An explorative sequential mixed methods study with a focus on alleviation of challenges concerning nutrition, weight and quality of life
CHF 70'000.–

Prof. Andrea Koppitz, Departement Gesundheit, ZHAW Winterthur

Does the POS-DemA improve dementia care in Swiss nursing homes?
CHF 120'000.–

Andrea Loizeau, MSc, Center for Gerontology, Universität Zürich

Fellowship: Interventions to Improve Palliative Care in Advanced Dementia
CHF 47'836.–

Prof. Pascal Singy, Service de Psychiatrie de Liaison, CHUV, Lausanne

Compétence/sensibilité transculturelle dans la communication clinique en soins palliatifs spécialisés
CHF 88'171.–

PD Dr. Florian Strasser, Onkologie & Palliativmedizin, Kantonsspital St. Gallen

Patient-needs-based multi-professional delivery of Palliative Interventions by oncologists' and oncology nurses: a randomized Phase II trial
CHF 80'000.–

Dr. Tenzin Wangmo, Institut für Bio- und Medizinethik, Universität Basel

Palliative care at home: A multiperspective study on the complex needs of ALS family caregivers
CHF 100'000.–

Dr. Karin Zimmermann, Paediatric Palliative Care, Universitäts-Kinderspital Zürich

Specialised Paediatric Palliative Care: Assessing family, healthcare professionals and health system outcomes in a multi-site context of various care settings (SPhAERA)
CHF 50'000.–

2016**Prof. Gian Domenico Borasio, Lausanne**

Service des soins palliatifs, CHUV
Validation d'un outil d'identification des patients nécessitant des soins palliatifs généraux ou spécialisés
CHF 169'500.–

Prof. Georg Bosshard, Zürich

Klinik für Geriatrie, UniversitätsSpital Zürich
Palliative sedation in Switzerland – medical routine or specialized care?
CHF 106'261.–

Prof. Valerie Fleming, Winterthur

Departement Gesundheit, ZHAW
Where new life meets death: a research based best practice model for palliative and bereavement care
CHF 159'000.–

Prof. Ralf Jox, Lausanne

Chaire de soins palliatifs gériatriques, CHUV
Alzheimer's Disease-specific Intervention of Advance care planning (ADIA)
CHF 173'200.–

Prof. Andrea Koppitz, Winterthur

Departement Gesundheit, ZHAW
Dementia-pall-intervention against symptom burden in Swiss nursing homes based on POS-DemA (DEM-POS)
CHF 20'000.–

Prof. Sophie Pautex, Genève

Unité de gériatrie et de soins palliatifs communautaires, HUG
Comparing the effectiveness of palliative care for elderly people in long term care facilities in Europe... «and Switzerland» part I
CHF 64'700.–

Dr. Gudrun Theile, Zürich

Kompetenzzentrum Palliative Care, UniversitätsSpital Zürich

Mobile health technologies for palliative care patients at the interface of in-patient to out-patient care: A feasibility study to predict deterioration of patient's health status and aiming to prevent unplanned hospital re-admissions

CHF 132'863.–

Dr. Monika Theresa Wicki, Zürich

Departement Weiterbildung und Forschung, Interkantonale Hochschule für Heilpädagogik

Gesundheit und Entscheidungen am Lebensende von Menschen mit Behinderung – eine Längsschnittstudie

CHF 99'000.–

2015**Prof. Gian Domenico Borasio, Lausanne**

Service des soins palliatifs, CHUV

French validation of the Integrated Palliative care Outcome Scale (IPOS)

CHF 114'350.–

Dr. André Fringer, St. Gallen

Institut für Angewandte Pflegewissenschaft, FHS

Voluntary Stopping of Eating and Drinking (VSED) in Switzerland from different points of view.

CHF 128'300.–

Dr. Claudia Gamondi, Bellinzona

Servizio Cure Palliative, Ospedale San Giovanni

Palliative ch members' attitudes towards assisted suicide: a mixed methods study

CHF 83'500.–

Prof. Andrea Koppitz, Winterthur

Departement Gesundheit, ZHAW

Pain Intervention for people with Dementia in nursing homes (PID)

CHF 114'775.–

Dr. Manuel Trachsel, Zürich

Institut für Biomed. Ethik und Medizingeschichte, Universität Zürich

Palliative Care for Patients with Severe Persistent Mental Illness

CHF 217'836.–

2014**Dr. David Blum, St. Gallen**

Onkologische Palliativmedizin, Kantonsspital St. Gallen
Monitoring of Patients Needs, Professional Triggers and delivered Basic Palliative Care
Interventions in Routine inpatient, ambulatory and home Care of Advanced Incurable Cancer
Patients: MENTOR-Cancer, a phase I/II complex intervention study
CHF 80'000.–
