Moderator: NiCole R. Keith, Indiana University
Planning Committee Member

Rehabilitation as an Interprofessional and Transdisciplinary Health Strategy for Healthy Aging

Panelist pending

Integrating Pre-habilitation, Prevention, and Maintenance to Maximize Functioning

Fary Khan

University of Melbourne

Reorienting Rehabilitation as a Health Strategy for All Populations in the Community

Elias Mpofu

University of North Texas

University of Sydney

14:45 BREAK

15:00 Panel 4: Functioning as the Key to a Comprehensive 360-Degree Life-Course Foundation for Healthy Longevity Research

Moderator: Julia Patrick Engkasan, Universiti Malaya

Planning Committee Member

Challenges and Opportunities in the Standardized Collection of Functioning Information for Research in Rehabilitation and Healthy Longevity

Birgit Prodingner

University of Ausburg

Fully Utilizing Functioning as the Basis for Comprehensive, 360-Degree Rehabilitation Research on the Lived Experience of a Health Condition

Jan Reinhardt

Sichuan University

Strengthening the Functioning Research Workforce and Ecosystem

Jonathan Bean

Mass General Research Institute

16:00 Panel 5: Advocating for Health and Social Policy in Support of Healthy Longevity: Functioning as the Third Indicator Of Health

Moderator: Matilde Leonardi, IRCCS Foundation “Carlo Besta” Neurological Institute

Planning Committee Member

The Challenge of Advocating for Functioning as the Third Indicator of Health

February 2024 | 3

Dorothy Boggs
London School of Hygiene and Tropical Medicine

The Policy Advocate Perspective: Raising Policy Awareness and Championing Communications Related to Functioning

Panelist pending

New Directions on Health and Disability

Abderrazak Hajjioui
Sidi Mohamed Ben Abdellah University

17:00 **ADJOURN DAY 1**

SATURDAY, 17 FEBRUARY 2024 – DAY 2

8:30 **Facilitated Breakout Sessions**

PANEL 1: FUNCTIONING

- Moderator: Somnath Chatterji, World Health Organization, Emeritus, *Planning Committee Member*
- Supporting Scientist: Jerome Bickenbach, University of Lucerne

PANEL 2: ECONOMICS

- Moderator: John Ataguba, University of Manitoba, *Planning Committee Member*
- Supporting Scientist: Diana Pacheco, University of Lucerne

PANEL 3: HEALTH SERVICES

- Moderator: NiCole R. Keith, Indiana University, *Planning Committee Member*
- Supporting Scientist: Carla Sabariego, University of Lucerne

PANEL 4: RESEARCH

- Moderator: Julia Patrick Engkasan, Universiti Malaya, *Planning Committee Member*
- Supporting Scientist: Marija Glisic, Swiss Paraplegic Research

PANEL 5: ADVOCACY

- Moderator: Matilde Leonardi, IRCCS Foundation “Carlo Besta” Neurological Institute, *Planning Committee Member*
- Supporting Scientist: Sara Rubinelli, University of Lucerne

9:30 **Report Backs from Facilitated Discussion and Workshop Reflections**

Moderator: Walter Frontera, Planning Committee Chair

Somnath Chatterji
World Health Organization, Emeritus

John Ataguba
University of Manitoba

NiCole R. Keith
Indiana University

Julia Patrick Engkasan
Universiti Malaya

Mattilde Leonardi
IRCCS Foundation “Carlo Besta” Neurological Institute

11:00 **BREAK**

11:30 **Next Steps for the Way Forward**
Fireside Conversation with Discussants

John Beard
Columbia University

Jerome Bickenbach
University of Lucerne

Alarcos Cieza
World Health Organization

12:50 **Closing Remarks**
Walter Frontera
Chair, Planning Committee

13:00 **MEETING ADJOURNS**
